

## BrainStorm Cell Therapeutics to Present at 2015 Stem Cell Meeting on the Mesa

HACKENSACK, N.J. and PETACH TIKVAH, Israel, Oct. 1, 2015 /PRNewswire/ -- BrainStorm Cell Therapeutics Inc. (NASDAQ: BCLI), a leading developer of adult stem cell technologies for neurodegenerative diseases, will be presenting at the annual Partnering Forum, part of the Stem Cell Meeting on the Mesa to be held October 7-9 in La Jolla, California. Tony Fiorino, MD, PhD, will be presenting on behalf of BrainStorm.

The following are specific details regarding BrainStorm's presentation at the conference:

Event: **2015 Stem Cell Meeting on the Mesa – Partnering Forum**  
Date: Wednesday, October 7, 2015  
Time: 5:00 PM Pacific Time  
Location: Estancia La Jolla Hotel & Spa, 9700 North Torrey Pines Road,  
La Jolla, CA 92037

A live video webcast of all company presentations will be available at: <http://stemcellmeetingonthemesa.com/webcast/> and will also be published on ARM's website shortly after the event.

### About BrainStorm Cell Therapeutics Inc.

BrainStorm Cell Therapeutics Inc. is a biotechnology company engaged in the development of first-of-its-kind adult stem cell therapies derived from autologous bone marrow cells for the treatment of neurodegenerative diseases. The Company holds the rights to develop and commercialize its NurOwn<sup>®</sup> technology through an exclusive, worldwide licensing agreement with Ramot, the technology transfer company of Tel Aviv University. NurOwn<sup>®</sup> has been administered to over 60 patients with ALS in clinical trials conducted in Israel and the United States, and is currently being studied in a randomized, double-blind, placebo-controlled clinical trial in the United States. For more information, visit the company's website at [www.brainstorm-cell.com](http://www.brainstorm-cell.com).

### About the Stem Cell Meeting on the Mesa

Stem Cell Meeting on the Mesa is the sector's premiere forum, bringing together senior executives and top decision makers in the industry within the scientific community with the shared goal of advancing and translating cutting-edge research into revolutionary treatments and cures. Co-hosted by the Alliance for Regenerative Medicine (ARM), the California Institute for Regenerative Medicine (CIRM) and the Sanford Consortium for Regenerative Medicine, the 2015 Stem Cell Meeting on the Mesa is a three-day conference featuring program's two-day Partnering Forum, a Public Forum lecture and a full-day Scientific Symposium, and is expected to attract nearly 800 attendees, including leading cell therapy, gene therapy and tissue engineering companies, large pharma and biotech, industry investors and major academic research institutions. Please visit <http://stemcellmeetingonthemesa.com/> for full information including registration.

### Safe Harbor Statement

Statements in this announcement other than historical data and information constitute "forward-looking statements" and involve risks and uncertainties that could cause BrainStorm Cell Therapeutics Inc.'s actual results to differ materially from those stated or implied by such forward-looking statements. Terms and phrases such as "may", "should", "would", "could", "will", "expect", "likely", "believe", "plan", "estimate", "predict", "potential", and similar terms and phrases are intended to identify these forward-looking statements. The potential risks and uncertainties include, without limitation, risks associated with BrainStorm's limited operating history, history of losses; minimal working capital, dependence on its license to Ramot's technology; ability to adequately protect the technology; dependence on key executives and on its scientific consultants; ability to obtain required regulatory approvals; and other factors detailed in BrainStorm's annual report on Form 10-K and quarterly reports on Form 10-Q available at <http://www.sec.gov>. These factors should be considered carefully, and readers should not place undue reliance on BrainStorm's forward-looking statements. These forward-looking statements are based on the beliefs, expectations and opinions of management as of the date of this press release. We do not assume any obligation to update forward-looking statements to reflect actual results or assumptions if circumstances or management's beliefs, expectations or opinions should change, unless otherwise required by law. Although we believe that the expectations reflected in the forward-looking statements are reasonable, we cannot guarantee future results, levels of activity, performance or achievements.
