

BrainStorm to Announce Fourth Quarter and Fiscal Year 2022 Financial Results and Provide a Corporate Update

NEW YORK, March 21, 2023 /PRNewswire/ -- BrainStorm Cell Therapeutics Inc. (NASDAQ: BCLI), a leading developer of cellular therapies for neurodegenerative diseases, announced today that it will hold a conference call to update shareholders on financial results for the fourth quarter and year ended December 31, 2022, and provide a corporate update, at 8:00 a.m. Eastern Time on Thursday, March 30th.

BrainStorm's President and Chief Executive Officer, Chaim Lebovits, and Co-Chief Executive Officer, Stacy Lindborg, PhD will present a corporate update after which investment community questions will be answered. Joining Mr. Lebovits and Dr. Lindborg in the Q&A session will be David Setboun, PharmD, MBA, Executive Vice President and Chief Operating Officer, and Alla Patlis, CPA, MBA, Interim Chief Financial Officer.

Participants are encouraged to submit their questions in advance of the call by sending them to tog@brainstorm-cell.com. Questions should be submitted by 5:00 p.m. Eastern Time on Sunday, March 26, 2023.

The investment community may participate in the conference call by dialing the following numbers:

Participant Numbers:

Toll Free: 877 545 0523
International: 973 528 0016
Entry Code: 943129

Webcast URL: <https://bit.ly/40EuACf>

Participants will be greeted by an operator and asked for the access code. If a caller does not have the code, they can reference the company name. We have found that using access codes expedites entry into the call and suggest the code be distributed with the dial in numbers.

Those interested in listening to the conference call live via the internet may do so by using the webcast link above or by visiting the "Investors & Media" page of BrainStorm's website at

<https://ir.brainstorm-cell.com/events-and-presentations> and clicking on the conference call link.

Those that wish to listen to the replay of the conference call can do so by dialing the numbers below. The replay will be available for 14 days.

Teleconference Replay Number:

Toll Free: 877 481 4010
International: 919 882 2331
Replay Passcode: 47908

Teleconference Replay Expiration: Thursday, April 13, 2023

About BrainStorm Cell Therapeutics Inc.

BrainStorm Cell Therapeutics Inc. is a leading developer of innovative autologous adult stem cell therapeutics for debilitating neurodegenerative diseases. The Company holds the rights to clinical development and commercialization of the NurOwn® technology platform used to produce autologous MSC-NTF cells through an exclusive, worldwide licensing agreement. Autologous MSC-NTF cells have received Orphan Drug designation status from the U.S. Food and Drug Administration (FDA) and the European Medicines Agency (EMA) for the treatment of amyotrophic lateral sclerosis (ALS). BrainStorm has completed a Phase 3 pivotal trial in ALS (NCT03280056); this trial investigated the safety and efficacy of repeat-administration of autologous MSC-NTF cells and was supported by a grant from the California Institute for Regenerative Medicine (CIRM CLIN2-0989). BrainStorm completed under an investigational new drug application a Phase 2 open-label multicenter trial (NCT03799718) of autologous MSC-NTF cells in progressive MS and was supported by a grant from the National MS Society (NMSS).

Safe-Harbor Statement

Statements in this announcement other than historical data and information, including statements regarding BrainStorm's Type

A meeting with the FDA and the clinical development of NurOwn® as a therapy for the treatment of ALS, constitute "forward-looking statements" and involve risks and uncertainties that could cause BrainStorm Cell Therapeutics Inc.'s actual results to differ materially from those stated or implied by such forward-looking statements. Terms and phrases such as "intend," "should," "could," "will," "believe," "potential," and similar terms and phrases are intended to identify these forward-looking statements. The potential risks and uncertainties include, without limitation, management's ability to successfully achieve its goals, BrainStorm's ability to raise additional capital, BrainStorm's ability to continue as a going concern, prospects for future regulatory approval of NurOwn®, whether BrainStorm's future interactions with the FDA will have productive outcomes, the impacts of the COVID-19 pandemic on our clinical trials, supply chain, and operations, and other factors detailed in BrainStorm's annual report on Form 10-K and quarterly reports on Form 10-Q available at <http://www.sec.gov>. These factors should be considered carefully, and readers should not place undue reliance on BrainStorm's forward-looking statements. The forward-looking statements contained in this press release are based on the beliefs, expectations, and opinions of management as of the date of this press release. We do not assume any obligation to update forward-looking statements to reflect actual results or assumptions if circumstances or management's beliefs, expectations or opinions should change, unless otherwise required by law. Although we believe that the expectations reflected in the forward-looking statements are reasonable, we cannot guarantee future results, levels of activity, performance, or achievements.
