About BrainStorm Cell Therapeutics Inc.

BrainStorm Cell Therapeutics Inc. is a leading developer of innovative therapies for debilitating neurodegenerative diseases, leveraging both autologous and allogeneic platforms. The Company holds exclusive worldwide licensing rights for the NurOwn® technology platform, which produces autologous MSC-NTF cells. These cells have received Orphan Drug designation from the U.S. Food and Drug Administration (FDA) and the European Medicines Agency (EMA) for amyotrophic lateral sclerosis (ALS). BrainStorm is currently planning the launch of a confirmatory Phase 3b trial in ALS with NurOwn to further evaluate its safety and efficacy. BrainStorm's exosome technology, derived from MSC-NTF cells, represents an allogeneic therapeutic platform, providing customizable, nano-carrier-based solutions for targeted delivery of bioactive molecules. These exosomes exhibit unique immunomodulatory properties and are designed to address critical pathways in neurodegenerative and respiratory diseases. The Company has completed a Phase 3 trial assessing NurOwn in ALS and advanced clinical studies of NurOwn in progressive multiple sclerosis (MS), supported by grants from the California Institute for Regenerative Medicine (CIRM) and the National MS Society (NMSS).

Notice Regarding Forward-Looking Statements

This press release contains "forward-looking statements" that are subject to substantial risks and uncertainties, including statements regarding the expectation of continued listing of BrainStorm's common stock on The Nasdaq Capital Market. All statements, other than statements of historical fact, contained in this press release are forward-looking statements. Forward-looking statements contained in this press release may be identified by the use of words such as "anticipate," "believe," "contemplate," "could," "estimate," "expect," "intend," "seek," "may," "might," "plan," "potential," "predict," "project," "target," "aim," "should," "will," "would," or the negative of these words or other similar expressions, although not all forward-looking statements contain these words. Forward-looking statements are based on BrainStorm's current expectations and are subject to inherent uncertainties, risks and assumptions that are difficult to predict. These potential risks and uncertainties include, without

limitation, the factors detailed in BrainStorm's annual report on Form 10-K and quarterly reports on Form 10-Q available at <http://www.sec.gov>. These factors should be considered carefully, and readers should not place undue reliance on BrainStorm's forward-looking statements. The forward-looking statements contained in this press release are based on the beliefs, expectations, and opinions of management as of the date of this press release. We do not assume any obligation to update forward-looking statements to reflect actual results or assumptions if circumstances or management's beliefs, expectations or opinions should change, unless otherwise required by law. Although we believe that the expectations reflected in the forward-looking statements are reasonable, we cannot guarantee future results, levels of activity, performance, or achievements.
